THE MOVEMENT

- 🚲 Empowering Kids - A bike provides freedom, fun, and a sense of independence. For many children, this is their first-ever bike.
- ♻️ Sustainable Giving - Donated bikes stay out of landfills and find new life with kids who need them most. Plastic parts are recycled into benches and other community projects.
- 👧 Moments That Matter - From a little girl receiving the exact same bike that was stolen from her, to helping fire survivors replace lost bikes, FB4K Delaware creates lasting joy.
