HARRINGTON SENIOR CENTER

**SERVING MEMBERS OF OUR
COMMUNITY 50 YEARS OF
AGE OR OLDER.**

HISTORY OF THE CENTER

The Center was dedicated on Friday, July 14, 1967. It was housed in The Harrington New Century Club and organized in March of 1967. The President of the Center was Mrs. J. Millard Cooper and the Executive Director was Mrs. Herman (Mildred) Minner. The Board consisted of one member from each interested civic, service, and ministerial group, and interested persons at large. The Center was opened to all persons 60 years of age or older within a 10 mile radius of Harrington. At the end of their first year, the Center had 76 members. In 1969 the Center acquired property which was the home of "Doc" Downs. Since their move to their current Fleming Street location, the center has had three additions through 1986. On November 15, 2024, the Center had a Grand Reopening after renovations and expansion to the building.

The Center receives its funding primarily from the State of Delaware Grant in Aid, and from other grants and personal donations. The board and members continue to find ways to increase our center offerings. Over 165 Homebound Meals are delivered daily in our area through Modern Maturity Center utilizing our kitchen. We currently have over 800 members. The Center currently serves members 50 years and older in a variety of ways through various programs, activities and bus trips.
