

Warmth, Confidence, & Hope

#MoreThanACoat

WHAT WE DO

Coats

Operation Warm coats are high-quality, long-lasting, and kid-approved. They come in a variety of colors and styles with water-resistant shells, fleece linings, deep pockets, and hoods. For many kids we serve, this coat is the first item to be truly called their own.

Shoes

Operation Warm shoes are durable, comfortable, and thoughtfully designed. They feature cushioned insoles, easy-on heel pulls, and vibrant styles. Each pair of socks and supports healthy movement, confidence, and play.

Sports Bras

A sports bra might seem small—but to a girl, it means everything. Through our FLY:FWD programming, this essential piece of equipment shows girls they belong in sports, and in every space where strength and self-belief grow.

Ways to Get Involved

Corporate Partnerships

We partner with corporations to offer meaningful employee volunteer experiences, seamless charitable giving options, and impactful cause marketing programs that strengthen connections with communities, teams, clients, and customers.

Community Partnerships

We partner with firefighters, service clubs, faith-based, and other community organizations to activate locally and make a tangible impact.

Share our Mission

Help amplify our impact by sharing our mission with your network—raising awareness and inspiring others to make a difference.

Fulfill Children's Wishes

Every year, we receive hundreds of thousands of requests for Operation Warm resources for kids in need. When you give a gift to our Wish List, can fulfill these wishes.

About Us

Operation Warm provides warmth, confidence, and hope to children in need through basic needs programs that connect under-resourced families to the community resources they need to thrive. Operation Warm is a national nonprofit that makes a local impact with the support of our dedicated partners, funders, and beneficiaries.
